

AN INVITATION TO JOIN

Join with
160 members
for another enjoyable
& successful year.

We are a group of local business people playing a convenient and fully organised mid-week social golf competition once a month at the region's best golf courses and resorts.

WELCOME

This membership is open to business people of all golf standards with or without an official Golf Handicap. If you do not have an official golf handicap, Hunter Business Golf Group will issue you with one after the submission of two score cards. We do ask that each participant has a knowledge of golf etiquette.

An annual membership fee of only \$220.00 (Includes GST) and covers organisational and administration costs, merchant fees, trophies, website facility, a quality embroidered golf shirt and Callaway golf ball.

A 2008 draft schedule of events is attached for your perusal and includes a local public course, Hunter Valley resort courses, 2 new Central Coast courses & a booking at the fantastic Riverside Oaks course in Sydney.

The cost to play at each event will vary depending on the venue and catering but ranges between \$55.00 to \$110.00 per player which includes golf, a cart (at most venues), lunch, a light meal after the game and prizes.

Each HBGG member is allowed to invite up to 3 guests/clients with or without an official golf handicap. Each guest will only be allowed to play once a year whilst not a member. To get to know everyone we encourage participants to have different playing partners for each event.

The beauty of HBGG membership is that everything is conveniently and professionally organised for you & your client. Your commitment is only once every approx 6 weeks and whilst we encourage full participation there is no obligation to play each event.
